Database schema

Tables:

1. Audio_tracks

Database Tables › audio_tracks

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	×
artist_id	No description	uuid	uuid	×
title	No description	text	text	×
audio_url	No description	text	text	×
cover_image_url	No description	text	text	✓
duration	No description	integer	int4	✓
has_shopping_cart	No description	boolean	bool	✓
created_at	No description	timestamp with time zone	timestamptz	×
updated_at	No description	timestamp with time zone	timestamptz	×

2. Video tracks

Database Tables › video_tracks

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	×
artist_id	No description	uuid	uuid	×
title	No description	text	text	×
video_url	No description	text	text	×
thumbnail_url	No description	text	text	✓
duration	No description	integer	int4	✓
created_at	No description	timestamp with time zone	timestamptz	×
updated_at	No description	timestamp with time zone	timestamptz	×

3. Artists

Database Tables › artists

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
name	No description	text	text	✗
bio	No description	text	text	✓
image_url	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	✗
updated_at	No description	timestamp with time zone	timestamptz	✗

4. Profiles

Database Tables › profiles

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
client_name	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	✗
updated_at	No description	timestamp with time zone	timestamptz	✗
artist_name	No description	text	text	✓

5. User_playlist_orders

Database Tables › user_playlist_orders

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
user_id	No description	uuid	uuid	✗
audio_order	No description	ARRAY	_text	✓
video_order	No description	ARRAY	_text	✓
created_at	No description	timestamp with time zone	timestamptz	✗
updated_at	No description	timestamp with time zone	timestamptz	✗

6. Nfc_cards

Database Tables › nfc_cards

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
title	No description	text	text	✗
price	No description	numeric	numeric	✗
image_url	No description	text	text	✓
shop_url	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	✗
updated_at	No description	timestamp with time zone	timestamptz	✗

7. Nfc_sessions

Database Tables › nfc_sessions

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
session_token	No description	text	text	✗
card_id	No description	text	text	✗
expires_at	No description	timestamp with time zone	timestamptz	✗
created_at	No description	timestamp with time zone	timestamptz	✗

8. Analytics_events

Database Tables › analytics_events

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	×
event_type	No description	text	text	×
user_id	No description	uuid	uuid	✓
metadata	No description	jsonb	jsonb	✓
created_at	No description	timestamp with time zone	timestamptz	×

9. Track_analytics

Database Tables › track_analytics

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	×
track_id	No description	uuid	uuid	×
album_id	No description	uuid	uuid	✓
title	No description	text	text	×
play_count	No description	integer	int4	✓
completion_rate	No description	numeric	numeric	✓
avg_listen_duration	No description	integer	int4	✓
skip_count	No description	integer	int4	✓
last_played_at	No description	timestamp with time zone	timestamptz	✓
created_at	No description	timestamp with time zone	timestamptz	×
updated_at	No description	timestamp with time zone	timestamptz	×

10. Artist links

Database Tables › artist_links

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
artist_id	No description	uuid	uuid	✓
url	No description	text	text	✗
display_name	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	✓

11. Fan_cards

Database Tables › fan_cards

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
album_id	No description	uuid	uuid	✗
user_id	No description	uuid	uuid	✗
artwork_url	No description	text	text	✗
description	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	✗
updated_at	No description	timestamp with time zone	timestamptz	✗
quantity	No description	integer	int4	✗
status	No description	text	text	✓
purchased	No description	boolean	bool	✓

12. Album_landing_pages

Database Tables › album_landing_pages

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	×
user_id	No description	uuid	uuid	×
album_id	No description	uuid	uuid	×
title	No description	text	text	×
elements	No description	jsonb	jsonb	×
theme	No description	jsonb	jsonb	×
is_published	No description	boolean	bool	×
created_at	No description	timestamp with time zone	timestamptz	×
updated_at	No description	timestamp with time zone	timestamptz	×

13. Albums

Database Tables › albums

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	×
user_id	No description	uuid	uuid	×
title	No description	text	text	×
description	No description	text	text	✓
artwork_url	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	×
updated_at	No description	timestamp with time zone	timestamptz	×
artist_name	No description	text	text	✓
artist_bio	No description	text	text	✓

14. Images

Database Tables › images

Filter columns

+ New column

Name	Description	Data Type	Format	Nullable
id	No description	uuid	uuid	✗
user_id	No description	uuid	uuid	✗
title	No description	text	text	✗
file_url	No description	text	text	✗
label	No description	text	text	✓
created_at	No description	timestamp with time zone	timestamptz	✗
updated_at	No description	timestamp with time zone	timestamptz	✗
project_id	No description	uuid	uuid	✓
caption	No description	text	text	✓
hyperlink_url	No description	text	text	✓
order_position	No description	integer	int4	✓
